Join us for our blood drive and a day of celebration including live bands and a Mardi Gras Krewe dance showcase!

For more information go to following @ rollinglelvi

Sign up for the blood drive online by scanning QR code

Walk-ups also welcome

Actual picture of the bears to be donated

Elvis was known for his charity and philanthropy, and it's reported that he would donate teddy bears fans would send him to Children's Hospitals to cheer up the patients. However, we want to go a step further. The Blood Center is the local provider of life-saving blood components to the New Orleans Children's Hospital where blood is used for cancer patients, organ transplants, premature babies, and more.

Your blood donation can go on to save the lives of up to 3 PATIENTS, plus every 3 units donated = 1 teddy bear donated through A Rhea of Hope!*

*Teddy bears to be donated will be purchased from "A Rhea of Hope." This Mandeville, LA based non-profit organization works to raise awareness, support, and resources for patients and families dealing with the trauma of Cholangiocarcinoma (a rare and usually deadly cancer in the bile ducts) Proceeds from the bears will also benefit this organization. Visit www.arheaofhopela.org for more info.

Speed up your donation by filling out your medical questionnaire using FastLane before you arrive!

Complete FastLane questions the DAY OF your donation.
